Nominating Committee

Called to Serve
A GUIDE TO CBC'S MINISTRIES

Our Purpose

The Nominating Committee prayerfully identifies, evaluates, and recommends spiritually qualified members to lead CBC's ministries, boards, and committees.

We connect the church's leadership needs with members whose gifts, experience, and calling align with the responsibilities.

Through thoughtful discernment, we help cultivate leaders who demonstrate spiritual maturity, integrity, humility, and a heart for service, supporting the health, unity, and mission of CBC.

Our Foundation

Leadership is an act of stewardship. Rooted in 1 Peter 4:10, our committee is committed to identifying members who will use their God-given gifts faithfully and joyfully.

Our process emphasizes calling, character, and commitment, trusting God to equip His people for service.

Our Work

The Nominating Committee guides CBC's leadership selection process with prayer, diligence, and transparency.

Understand Leadership Needs
We review vacancies, confirm role responsibilities, and consult current leaders to understand the needs of CBC's ministries, boards, and committees.

Identify Potential Leaders
We identify members whose gifts, experience, and calling align with those needs, discussing their interests and readiness to serve.

Interview & Evaluate Candidates
Following CBC's Constitution, we interview all candidates to confirm spiritual maturity, doctrinal alignment, and willingness to serve.

Recommend Nominees
We prepare an annual slate for elected positions and recommend candidates for vacancies throughout the year. All nominees require Board of Elders approval before being presented to the congregation.

"Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms." **– Peter 4:10**

Our Invitation

Whether you are considering leadership for the first time or exploring a new area of service, we welcome a conversation.

Express your interest to the committee, volunteer within a ministry, or prayerfully consider an opportunity when approached. Ask questions about the responsibilities and reflect on how your gifts and availability align with the role.

Leadership requires active CBC membership, regular attendance, and alignment with the church's mission and values. The committee can help you explore where your gifts may support CBC's work.
